

# The Pilbara

4 billion years of sustainability

Yurlburr (Python Pool), Yinjibarndi Country

# Country

Country describes the land, waterways and seas to which an Aboriginal person is connected but the term also contains complex understandings about law, cultural practices, language, family, history, stories and spiritual beliefs.

# Action

1. Find out where you're starting from.
2. Net-Zero demands its own scope.
3. Foster innovation and thought leaders.
