The Committee members must possess sufficient knowledge and competencies to make an effective contribution to the work of the Committee.

3.2 Chair

The Board will nominate the Committee Chair who will be a member of the Board and a suitably qualified person.

3.3 Composition

Appointment to the Committee will be made following consideration of the Audit and Risk Committee Skills Matrix.

3.4 Term

The Committee member's term of appointment will be determined by the Board subject to an initial term of not more than three years and a maximum total period of service of not more than six years.

The Board may determine to extend the maximum total period in extenuating circumstances to enable appropriate succession planning of Board members to appoint to the Audit and Risk Committee.

Any vacancies on the Committee will be filled by the Board.

A Committee member holds office only while that member remains a member of the MRIWA Board.

3.5 Remuneration

Except as approved by the Board, no member of the Committee is entitled to receive a fee.

3.6 Induction

All members of the Committee are required to be familiar with MRIWA's audit and risk requirements and MRIWA's Code of Conduct.

A record of the self-assessment against the Committee Skills Matrix will be maintained by MRIWA.
